PASTOR’S DESK

Next Sunday we will welcome Auxiliary Bishop Roger W. Gries, O.S.B. to St. Luke Parish. Bishop Gries will confer the Sacrament of Confirmation on 53 young people and several adults. Let us pray for all those being confirmed that God’s Holy Spirit will guide and inspire them to follow the Lord more fully in their lives.

This weekend we honor Vowed and Consecrated Religious who live and work in our Diocese. These women and men are consecrated to the Lord by vows of poverty, chastity and obedience. We have been blessed by the service and dedication of religious women and men from the beginning of our Diocese as classroom teachers and administrators, in hospitals, nursing and assisted living facilities, in orphanages, in parish ministry, as missionaries, and in cloistered convents and monasteries which touch the world by their continuing prayers for all of our needs and intentions. We thank God for the gift of their lives in service of the Lord and His people.

Members of the Men’s Journey Retreat team will speak at all Masses this weekend. The retreat will be held at St. Luke Parish on the weekend of March 3 and 4, and would be a great opportunity to meet fellow parishioners and men from other neighboring parishes, and to make this Lent a time of growing closer to Christ.

**God bless,
Father Walsh**

The New Translation:

Understanding the Mass from a Biblical Perspective presented by Bishop Roger Gries, OSB on Thursday, February 9.

"Brothers and Sister: If I preach the Gospel, this is no reason for me to boast, for an obligation has been imposed on me and woe to me if I do not preach it! If I do so willingly, I have a recompense, but if unwillingly, then I have been entrusted with a stewardship."

1 Corinthians 9: 16-17

A group of frogs was traveling through the woods looking for a bigger pond when two of them fell into a very deep hole. The other frogs crowded around, and when they saw just how deep the hole was they shook their heads and started calling to the two frogs at the bottom that they were as good as dead. The two frogs ignored the shouting and with all their might kept trying to jump out of the hole. The other frogs jeered at them and told them to give up as their efforts were useless. Finally, one of the frogs stopped jumping and, panting heavily, fell on his side. He lay still and died. The other frog continued to jump as hard as he could. The crowd of frogs yelled at him to stop the pain and just give up and die. He jumped even harder, and finally made it out of the top of the hole. When he got out, the other frogs were astonished and asked him, "Didn't you hear us?" The frog looked puzzled and asked them to repeat what they had just said because he was a bit deaf. He thought they had been shouting encouragement to him!

There is power in the tongue. An encouraging word to someone in difficult circumstances can lift them up and help them make it through another day. Destructive words, on the other hand, can be all it takes to deprive them of hope and life. **The power of words is much greater than we may think. Be careful what you say. Speak life to those who cross your path.** The person who makes the effort to encourage another is special indeed.

STEWARDSHIP OPPORTUNITY

Make a conscious effort to stop negative comments and verbal "put-downs."

Refuse to join in conversations that scorn or belittle people.

St. Joseph Cemetery will be hosting a prayer service entitled “**New Beginnings**” presented by Deacon Tony DeGracia of Catholic Cemeteries Association on Tuesday, February 14th at 10:30 am in the St. Joseph Mausoleum. Deacon Tony will discuss what we can do to help ourselves move from the intense, debilitating pain of our loss, and challenge us to look to our future and hope. If you are suffering from the loss of a loved one, or know someone who is, we encourage attending this powerful presentation. For more information please contact the cemetery office at 216-937-5061.

TREASURES FROM OUR TRADITION

The story of Job seems at first hearing to be an extension of February’s gloom into the liturgy. The monumental suffering of a good man is so horrific that the laments of the front page of modern newspapers barely measure up. The whole story is not long to tell, but its resolution is of great comfort. We can trace in its plot the stirrings of a belief in an afterlife, and in God’s great power to right every wrong and raise human beings from suffering.

In the Gospel, we see the fulfillment of these longings in the hand of Jesus, grasping an ill woman by the hand and raising her up to vibrant life. Peter’s mother-in-law becomes her best self, attentive to her guests, providing hospitality, the warmth of her laughter, the delights of her kitchen. Last week, at Candlemas, candles were blessed, including baptismal candles for some not yet born. Today is a day to check the fragile flame of your own baptismal candle. Against February’s customary lethargy, its background whines and ailments, the liturgy summons us to life, grasps us by the hand, and sends us to serve in Christ’s name.

2012 Catholic Charities Annual Appeal

Many of our parishioners will receive a mailing from Bishop Lennon regarding the 2012 Catholic Charities Annual Appeal. This year’s theme is “I am Catholic,” which calls to mind all the unity, strength and good we can accomplish together in faith. The impact of Catholic Charities in our neighborhoods and cities cannot be understated. Please read the letter carefully, prayerfully consider an increase in your support, and mail your pledge today to this very important appeal. To view stories of inspiration, go to www.catholiccommunity.org/2012Appeal.
