

“LET YOUR LIGHT SHINE”

NEEDED
HOMEBOUND EUCHARISTIC MINISTERS

In bringing communion to the sick and shut-ins the Eucharistic Minister represents Christ and manifests faith and charity on behalf of the whole community toward those who cannot be present at the Eucharist. For the sick the reception of communion is not only a gift but also a sign of support and concern shown by the Christian community for its own members who are ill. This ministry is a very rewarding ministry, when you give to others you never imagine how the blessing will be returned to you. We will work with you so you know what to do and where to go. *Any and all of your questions and concerns will be addressed.*

As St. Francis said, “It is in giving that you receive”.
Please consider being the hands of Christ, He really needs your help and so do we!
